MOVE-IN DAY INSTRUCTIONS

You may check into your residence hall from 8am - 3pm. As you can imagine, these are very busy and exciting days. Because there is only limited access around the residence hall area, traffic can move very slow-especially between 10 am and 2 pm. If you arrive during these peak times, you may experience a 30-60 minute delay. We ask that you try to plan your arrival accordingly and use our driving directions.

When you arrive on campus, you will be asked by Parking Services staff to comply with some rather stringent requirements regarding your car and where you may park it. Please follow directions carefully so as to ease the flow of traffic during this busy day.

See you on the 24th!
